Group Discussion

1. What stood out to you or was the personal impact of tonight's message and the areas of scripture that were shared? Was there anything that you learned or were reminded of through these verses? ...*be descriptive*

2. As we read the Bible, we often see Jesus asking a question of someone that goes much deeper than the level in which they are first receiving it. In *John 1:38* He asks Andrew, and presumably John, "**What are you Seeking?**". Based on their response, it seems possible that they didn't grasp the real meaning of His question...

- How will you respond to the Lord Jesus' question?... If you were to take a really honest look at your own life today, the choices you make, the things you give much of your time and attention to, and who you are as a man, ...**What does it seem that you are seeking most in this life?** ...*dig deep and be honest!*
- Is there anything that you are **seeking** that is out of alignment to God's Word and His will for your life? If so, identify what that is...

3. Every man's Quest is to understand his true *identity, value, and purpose* in this life, and to align his priorities with God's will for his life...It's a void we are desperately seeking to fill!...

Discussing it as a Group...Identify in your best order what the *life* and *priorities* of a Man of God look like, and what it takes to make that a standard for your life...

- How can the **5 Principles** listed below help you in *aligning your priorities with God's will for your life, and understanding your true identity, value, and purpose?*

4. As we see with Andrew in *John 1:40-41*, introducing people to Jesus is a natural response to our own excitement of knowing Him and discovering our own *identity, value, and purpose* through Him...

- Can you identify three (3) or more people in your life who have not met the Lord Jesus? How can you introduce them to the Lord?
